

Pouring Out the Living Water: Bloom by the River!

On Sunday, March 9th, the children of the church learned about rhythms with local percussion aficionado, Judy M. Afterward, they guided the congregation in praise to God with *"tambourine and dance, with loud clashing cymbals"* (Psalm 150).

Then they led us in a chorus of *"Praise Him, All Ye Little Children!"*

Our Ministry Objectives

(for 2025)

(These are how we break down our Initiatives/Goals)

Nurture Ministries:

“By the end of this year, we will have established a network of 3 home groups in our congregation.”

Work has now begun on this objective.

Outreach/Mission Ministries:

“By the end of this year, we will have identified who the disenfranchised are in our community.”

Witness Ministries:

“By the end of this year, we will have provided 4 community ‘HEAD & HEART EVENTS’ based on relevant topics.”

Worship Ministries:

“By the end of this year, we will have increased laity involvement in the worship service.”

Family Ministries:

“By the end of this year, we will have asked our families and young people, ‘how can we fill your cup?’”

Advocacy/Reconciling Ministries:

“By the end of this year, we will have provided training based on the full-inclusion objective.”

Discipleship Team:

“By the end of this year, we will have reached out to all our inactive members.”

Leadership Council:

“By the end of this year, we will have learned what a discipleship system would look like at PEUMC.”

Work has now begun on this objective.

Pastor:

“By the end of this year, the pastor will have developed a discipleship system in our church.”

LEADERSHIP COUNCIL ACTIONS – HIGHLIGHTS

FROM SATURDAY, FEBRUARY 8TH – first meeting

- 2025 ministry objectives were adopted (as included in this month’s newsletter; see above)
- Articles of Incorporation were updated and approved by the Register of Deeds Office (Wood Co.). *(We had to make sure the name of the church was correct on our deeds.)*
- We approved becoming incorporated with the State of WI *(this protects us legally).*
- Approved the bid by Nick Michels & Sons, Inc. to replace the flat roofs of the church for \$8,550.00. Their work will begin sometime in the summer.
- We approved becoming a member-congregation of the Wisconsin Council of Churches.

FROM SUNDAY, MARCH 16TH – second meeting

- A new 85-page “policy document” called our “Principles, Policies, and Procedures” was approved.
- Extended the search for a new Media Technician to area schools.
- We approved the pursuit to create a “history book” for the church; this will be a summer project, to be finished by September.
- We divested from being in the poorly-circulated new PINNACLE phonebook’s yellow pages; this will save us \$600+ a year. We will remain free in the white pages only.
- We approved pursuing a church credit card for ease of purchases and standing orders.

Future discussions:

- Considering possible future capital projects and how to obtain its funding:
 - *Just *some* ideas:* Total overhaul of the parking lot; renovations of the restrooms (ADA compliant); installing automatic electric doors in the lobby; digital church sign; installing solar panels.

At each of our meetings, we open with a devotion from the Bible and a book study. For this year, we chose to look at what a disciple-making process can look like for our congregation.

PRINCIPLES, POLICIES, AND PROCEDURES

That a church should engage in the development of “policies and procedures” may sound odd to some ears – even out of line with a church’s main pursuit of “making disciples.” But creating healthy environments through some mutually-agreed-upon guidelines is also good practice.

PEUMC has, for several decades, maintained a “policy book.” In preparation for our governance structure change in 2025, an 85-page expanded version of the existing document was created and approved at the second meeting of the Leadership Council.

To the average person reading this right now, 99.99% of this document will prove to be uninteresting or even irrelevant, but it was a major project that **does** affect the life of the congregation and the way its leadership and staff function very significantly.

In our “Principles,” we (the leadership) outline the attitudes and behaviors of which we are agreeing in order affect the church culture in a healthy way. We are striving *“to create efficiency and permission-giving within healthy boundaries,” “to empower ministries and protect the overall health and wellbeing of the church.”*

In our “Policies and Procedures,” we are putting on paper “best practices” in areas such as “Building and Grounds” and “Legalities” (Trustees); “Financial Practices”; and “Personnel” (S-PRC).

Twenty-two “Appendixes” are attached to the end of this document. These include our updated Building Use Policy and Form; Security & Access Policy & Form; Equipment Use Policy & Form; etc.

An appendix of particular interest is our new “Political Engagement,” a list of guidelines to help our local church stay politically engaged in a safe & legal way that aligns with the rules of the IRS and the values of The United Methodist Church.

The P.P.P. is a living, breathing document that will be continuously updated & adapted as we learn to live out these “best practices” for our shared congregational life.

Our leadership has vowed to *“not equate accountability with blaming or reprimanding; we will not create an environment of disciplinary action, punishment, or shaming; accountability shall be practiced as respectful inquiry and mutual support”* (Council Covenant for 2025). In other words, our policies are not meant to micro-manage or box us into corners but to provide freedom for the various parts of our church to function with “the responsibility, authority, and accountability” to pursue their ministry goals. We believe maintaining a healthy working and ministry environment for leaders, staff, and members is one important way we “make disciples.”

Nurture Notes

Our Nurture Cohorts (Sara T. & Diane S.) met with Pastor Caleb to begin discussing upcoming nurturing opportunities for the congregation. Our Nurture Ministries have a purpose “to provide opportunities to fellowship, learn, and grow as disciples of Jesus Christ, for the building up of the family of God, and nurturing our relationships with one another and with our relationship with Jesus Christ.”

IN APRIL:

- We will carpool to see the performance of the **Live Last Supper** in Marshfield on Monday, April 14th.
 - We must leave PEUMC by 5:45p.
- We will begin our sign up for the **Easter breakfast** – it will take place at 8:30a in the Fellowship Hall on Easter Sunday.
- We'll try to find another opportunity to see a Tuesday (\$5) evening movie with Culver's afterwards.

IN MAY:

- If there are **graduates** this year, they will be recognized on Sunday, May 18th; the work for this will be given to the Family Ministries Cohorts.
- We may show a **vintage film** at the church on or around “Aldersgate Day” (May 24th). Two ideas was the 1951 film “I'd Climb the Highest Mountain” or the docufilm “Wesley.” This would be shown on the big screen in the sanctuary.
- We will make sure that **bouquets of flowers** are available to be handed out on Mother's Day.

IN JUNE:

- Pentecost Sunday is June 8th. We would like to do a “**church birthday party**” after the service. There will be 6-themed desserts for the 12 months of the year. People will sit at their “birthday” table. It should be a full-fledged potluck. Pastor Rebecca Niese has agreed to preach that Sunday, being Annual Conference weekend.
- We would like to have an **outdoor service** sometime in June. We could ask Rapids First UMC to join us, if they decline, we may ask Marshfield Wesley to join us. Diane has looked at options for indoor/outdoor shelters in Wood County. More details to come.

HOME GROUPS:

Our initial conversations have begun, per our ministry objective for 2025, pertain to Home Groups. This is our work to break the congregation down into nurturing hubs: Lakes Area, Nekoosa, Port, and Rapids. We will continue to develop this idea at our April meeting.

DAILY SCRIPTURE READINGS – 3/31 – 5/15

Below are daily scripture readings that are based on Sunday morning's lectionary passages. While these passages will jump around within the Bible, just remember that they have been chosen to align *thematically* with either the previous Sunday's or upcoming Sunday's Bible story.

April Households

Throughout April,
the congregation is asked to pray
for the following families:
(randomly chosen on 3/26)

**Chris L. / Jean M. & Blair S. / Ann D.J.
/ Candy P.-T. / Terry & Marie H.
*Korbin B. / Mat & Gracie F. /
Laura & Mark F. / Pastors Caleb & Doug**

We have prayed through all our households since we began in 2023. As we start over, we are challenging the congregation to pray for all 90 households related to the church (members & friends) in the next 12 months. This will be an average of 7.5 households a month.

You are encouraged to send emails, cards, letters, or make house calls to these individuals during their month. Check your church directory for contact info.; they will no longer be printed here or in the bulletin.

*NOTE: Regardless of one's living situation, for our purposes, all those 18 years and older constitute their own "household."

G.R.A.C.E. Trivia Night Fundraiser

The Greater Rapids Area Churches for Ecumenism held their first (annual?) trivia night at B's Taphouse in downtown Rapids on February 23rd.

Through the silent auction and free-will offering, the group raised **\$1,160**.

This gives the group a total of ~\$4,000

to erase student debt in the Rapids area public schools!

At the end of this school year, we will relieve any outstanding debt of graduating seniors at Lincoln, River Cities, Port Edwards, and Nekoosa High Schools!

OFFICE HOURS GO BACK TO NORMAL

The church office is now reverting back to its original hours, effective now:

Monday thru Friday 8:00a - noon

EASTER LILY ORDERS – due next Sunday, April 6th!
\$12.00 for a plant!

Easter Breakfast

8:30a in the Fellowship Hall – Easter Sunday.
Please bring a covered dish, fruit, or dessert.

Early Easter Service

In addition to our regular 10:00a service, there will be a short 15-minute service at 8:45a.

If you are traveling on Easter Sunday and cannot make it to our 10a service, try our 8:45a – 9:00a service!

Conducted at the breakfast tables in the Fellowship Hall.

Calling All Singers: EASTER CHOIR!

Please remember that we have a walk-in choir, not a standing choir; so with each new call, we invite our familiar faces AND new faces to join us!

We will be singing "Shout to the North" on Easter Sunday.

We will practice 3x

Sundays, April 6th / 13th / 20th – 9:15a in the sanctuary

Building & Grounds Update

- Ongoing Hail Damage Claim – We have entered into a ‘soft contract’ with Lauren’s Exteriors who will represent us in our ongoing hail damage claim with Church Mutual.
- Church’s New Insurance –

- Cross-Connection Audit – In January, the village of P.E. asked us to perform a cross-connection audit. Such an audit is to note any possibility of treated or unclean water from the church plumbing flowing back into the village water system through back pressure, causing contamination. Rasmussen Plumbing conducted the audit. The only issue was the boiler system (which uses chemically-treated water). It needed an expansion tank added to act as a reservoir in case there is back pressure into the village water system. The tank and installation by Garot Tweet was \$3,000, and Rasmussen’s audit fee was around \$600.
- Flat Roof Repair – After Leadership Council approval, we have entered into a contract with Nick Michels & Sons to replace the membrane and insulation on our two flat roofs; these are the two areas above the “music room” and “flower room” which a recent inspection showed interior wetness. This will be \$8,5550. They will start this work in July.
- Doorstops – Jeff replaced all the doorstops in the church (18 in total) with a new style of doorstop. This new doorstop can be engaged and disengaged with the press of one’s foot. This makes our doorways (particularly restroom doors) more accessible. This project cost ~\$140.
- Church Security – The church has paid for security & monitoring since the 1990s. This system features cameras, motion sensor alarms, door alarms, and smoke detector alarms. Bill, of Mobile Lock & Security, came in and updated our system with new cameras, a monitor in the office, new smoke detectors, and replaced batteries in the various components. He also added an electronic door-opener in the pastor’s office to unlock the exterior door remotely. We are looking into updating our office door camera with a newer model.
- Front door crash bar – The crash bar (the bar you push to open the door) of one of the main entry doors was jammed a few weeks ago; it now sticks. A door company examined the problem and estimated about \$500 to repair.

The above report has two purposes: (1) to keep our members informed of recent building repairs and updates, almost all of which go unnoticed by the average person, but also (2) to keep the congregation aware of the unavoidably great expense it takes to operate this facility. *Our church structure is in wonderful condition!* But a simple door jam could cost us several hundred dollars to repair! Trades-work is very expensive today, especially in this region where options are few and many must travel large distances. It is simply the hard truth. Maintaining a church building is very expensive. Our maintenance technician does a terrific job making sure every nut and bolt is secured and maintained! Thank you, Jeff!

PEUMC'S FIRST TOWN HALL MEETING

Sunday, May 18th

A "town hall" meeting is used to describe any event where leaders engage in open dialogue with their constituents.

The Leadership Council would like to host a town hall meeting with the congregation on Sunday, May 18th following the service.

They will share with you updates about what the Council has been discussing and will invite you to share your thoughts in return.

Job Opening – Media Technician:

Colby G. is graduating in May.

After multiple attempts by family and pastor to get him to stay (like, repeat his senior year), he is determined to be off on new and wonderful things in the fall. Oh well! *So we are looking for his next replacement!*

The Media Technician (MT) operates the computer & software in our sanctuary during our services for our live-stream ministry.

The job opening has been advertised at the high schools of Port, Nekoosa, and Lincoln.

- (1) *Do you know of anyone (high schooler or not) who may be a good fit for this position? A neighbor? A friend? A family member?*
- (2) *Do you think YOU would be a good candidate?*

- The position pays \$25 a service.
- Additional services, like Lenten services, weddings, funerals, etc. would also pay \$25.
- Apply by date: May 1st
- Start date: June 1st

Call the church office for an application.

The snowstorm on Wednesday, March 19th may have cancelled our Wednesday evening Lenten service, but it did create a beautiful scene!

Praise God, from whom all blessings flow!

Words of Wisdom

from Richard Rohr

As a part of my morning devotions, I (Pastor Caleb) read two pages' worth of Richard Rohr's (a Franciscan priest) "Yes, And . . ." daily meditation book.

Below I have included some of my favorite meditations for you:

ON PRAYER

"Everything exposed to the light itself becomes light" (Ephesians 5:13). In prayer, we merely keep returning the divine gaze and we become its reflection, almost in spite of ourselves (2 Corinthians 3:18). The word *prayer* has often been trivialized by making it into a way of getting what we want. But I use *prayer* as an umbrella word for *any interior journeys or practices that allow us to experience faith, hope, and love within ourselves*. It is not a technique for getting things, a pious exercise that somehow makes God happy, or a requirement for entry into heaven. It is much more like practicing heaven now.

+Adapted from *The Naked Now: Learning to See as the Mystics*

FUNDAMENTALISM MISSES THE FUNDAMENTAL

My dear friend, Dr. Gerald May (1940-2005) made a distinction years ago that I have found myself using frequently. He wrote that spirituality is not to encourage *willfulness* but *willingness*. Spirituality creates willing people who let go of their need to be first, to be right, to be saved, to be superior, and to define themselves as better than other people. For them, that game is over and gone and if we haven't arrived at the 'willing level' – "not my will, but Thy will be done," as Jesus says (Matt. 26:39) – then I think *the Bible will almost always be misused and abused*. We have often substituted being *literal* with being *serious* about Scriptures, and they are not the same! (Read that a second time, please.) The point I would like to make is that literalism does not take the text of the Bible seriously at all! Pure literalism, in fact, avoids the real impact, the real message. Literalism is the lowest and least level of meaning in a spiritual text. Willful people use Scripture literally when it serves their purposes and then they use it figuratively when it gets in the way of their cultural biases. Willing people let the Scriptures change them instead of using them to change others.

THE BIBLE HUMBLER US BEFORE IT ENLIGHTENS US

How can the Bible convert or change us? I hope to define the Bible in a new way for some of you: *The Bible is an honest conversation with humanity about where power really is*. All spiritual texts, including the Bible, are books whose primary focus lies outside of themselves, in the Holy Mystery.

It is not a substitute for human experience, but an invitation into the struggle itself: We are supposed to be bothered by some of the texts. Human beings come to an awareness through struggle, and most especially struggle with God and sacred texts. We remain largely unconscious if we avoid all conflicts, dilemmas, paradoxes, inconsistencies, or contradictions.

The Bible is full of all this. It is precisely in learning to struggle with these seeming paradoxes that we grow up – not by avoiding them with a glib, one-sentence answer that a sixteen-year-old can memorize. If I had settled for mostly one-line answers to everything my spiritual journey would have been over in the third grade when I went through catechism. We have created people who have quick answers instead of humble searchers for God and truth. God and truth never just fall into our laps, but are given as gifts only to those who really want them and desire them.

FREEDOM FOR LOVE

Mystical moments are a kind of emancipation. If it doesn't lead to newfound freedom, I don't think it is an authentic God Experience. Such experiences will feel like a new freedom to love, and you wonder where it comes from. Why do I have this new desire, this new capacity to love new (perhaps unlovable) people, to love familiar people better, maybe to enter into some kind of new love for the world? I find even my own thoughts are more immediately loving, patient, and compassionate. You cannot create this or generate this. You are *participating* in something larger than yourself and you are just allowing it and trusting it for the pure gift that it is. You are participating in a Love that's being given to you. +Following the Mystics through the Narrow Gate
